

Help Stock Doorways Pantry with a Grocery Store Collection Drive!

Organize a group of friends or co-workers and help Doorways today!

For 30 years, Doorways for Women and Families has provided a life saving continuum of care, hope and safety for thousands of women and families experiencing domestic violence and/or homelessness. Doorways serves, on average, 20-30 families each week through our three residential programs, and is consistently in need of personal care and household items to meet the families' needs. The assistance Doorways provides helps families develop the tools and resources essential to reclaiming self-sufficiency.

We are looking for groups of 5-10 people to assist in soliciting the Arlington Community to stock Doorways Pantry with these necessities!

Who:

You and a group of 5-10 people! No group affiliation necessary; just a willingness to assist the homeless community of Arlington.

How:

Identify your group of friends and call Doorways to set a date

Where:

Local Arlington Grocery Store
(Doorways can coordinate once the date is chosen)

When:

You pick the date! Lunch time, evening hours, or weekends are best.

What:

You and your group will hand-out copies of the current Doorways Wish List and ask the stores patrons to purchase an item (or two!) from our wishlist while they are shopping. Once items are purchased, they will be collected at the door by your group. Once the drive is over (3-4 hours) the group can deliver the items to the Doorways Family Home and stock the shelves directly! *Doorways will provide the wishlist and copies if needed.*
