

Donate Your Old Cell Phone Today!

Doorways for Women and Families

What happens to my old cell phone?

Cell phones donated to Doorways for Women and Families are sent to a nonprofit partner of ours, who gives Doorways a *cash donation* for any phones sent to them. Not only does this program do *you* a service by relieving you of your old, unused technology, it also supports Doorways in a very real way. The money we receive from your old cell phones will go directly to support Doorways for Women and Families' programs and services to assist women and families fleeing domestic violence, homelessness or crisis to live safe, secure, and self sufficient lives.

What phones will you accept?

We will accept *any* phone, regardless of age and condition, with or without the charger. The phones that will raise the most for Doorways are those phones which are no more than 4 years old. Newer models can bring in up to \$20 a piece!
