This free therapeutic virtual small group offers **adult female* and female-identifying* survivors of sexual violence** a chance to engage in self-exploration and identity compassion work through dance/movement and communal processing.

The group strives to offer a safe, non-stigmatizing, diverse, and inclusive space to build community and resilience. Through empathy and empowerment, art and movement, we aim to create paths to aid in the healing process!

- **The group meets via Zoom on alternate Mondays from 6-7 PM starting January 9.**
- Please contact us to set up an intake conversation and discuss your unique needs.
