Since 2018, the number of survivors sheltered in Doorways' safehousing has more than doubled. Be an Open Hearts, Open Doors sponsor and help build a future without intimate partner violence.

We believe everyone deserves healthy love. A pillar of our community response is a commitment to violence prevention. **Your support is pivotal to our work to stop violence before it starts, to respond when it does, and to break the cycle of trauma.**

Sponsor today to fund our healthy relationship work with youth, provide trauma-informed care to survivors, and create a community free of violence.
